

**EMBARK RESOURCING OFFERS A SPECIALIST QUALITY AND TECHNICAL RECRUITMENT SERVICE TAILORED TO COMPANIES OF ALL SIZES ACROSS A WIDE RANGE OF INDUSTRIES.**

Drawing on many years of dedicated Quality and Technical recruitment experience, we are able to offer dedicated sector support built on experience and a strong track record of successful placements within the discipline.

We have strong relationships within the Food Manufacturing, Fresh Produce and FMCG sectors in addition to the industries covered within our Health and Safety network such as Oil & Gas, Energy and Construction.

Our expertise is in the Health, Safety, Quality and Technical markets. We are able to offer a focused and truly specialist service. Our network is built up entirely of candidates in these areas and we are able to provide a thorough, swift and professional service to support businesses.

## OUR MISSION

We seek to provide clients with the strongest, most suitable candidates on the market and work with our candidates to support them in finding their ideal next role.

## OUR SUPPORT

We support clients and candidates in each step of the recruitment process and beyond. Using our expert skills and in-depth knowledge to assist from initial search through to successful placements.

## WHAT WE DO

We use our in-depth industry knowledge and extensive candidate network to ensure that we provide the strongest possible candidates for our clients.

## OUR AIM

We aim to be the leader in Quality and Technical recruitment across a wide variety of sectors, working to provide the highest level of expertise and service possible.

## OUR COMMITMENT

We are committed to providing our candidates and clients with the highest level of experienced, expert service possible. Using our knowledge, skills and most importantly empathy to provide recruitment solutions to everyone we work with.
